The International Society For Condensed Matter Nuclear Science

Report of the Directors / Trustees for the year 1st January 2010 to 31st December 2010

The directors / trustees submit their report together with the unaudited accounts for the year ended 31st December 2010.

Objects and Activities

The Objects of the Society are to promote the understanding, development and application of Condensed Matter Nuclear Science for the benefit of the public. The Society became a UK registered Charity in October 2006.

ISCMNS is a scientific membership Society open to any member of the public with an interest in Condensed Matter Nuclear Science. It achieves its world-wide mission by organizing scientific meetings, funding research, facilitating communication and collaboration between scientists, and by publishing and distributing results. The Society publishes the peer reviewed electronic Journal of Condensed Matter Nuclear Science, published on the Internet. During the year the Society organized the 9th International Workshop in Anomalies in Hydrogen/ Deuterium Loaded Metals 17-19 October. www.iscmns.org/work9 The Society has not traded outside its primary purpose.

Results and Policies

The profit and loss account is set out on page 4 and shows the Society's result for the year.

ISCMNS mainly uses its reserves as working capital and to subsidize scientific meetings. Its income and expenditure are unpredictable and variable. The Society aims to steadily increase its reserves to the greater of €20,000 or 35% of expected future annual income / expenditure.

Charitable And Political Contributions

The Society made no political or charitable contributions in the UK during the year.

By Order of the Executive Committee

Bill Collis.
Company Secretary and Chief Executive
25 July 2011

Profit and (Loss)	(5,865)	343

There were no other profits, gains nor losses so that no other statement of realised gains and losses is required.

The following notes form an integral part of these accounts.

Notes Forming Part of the Accounts For The Year 1st January 2010 to 31st December 2010

1 ACCOUNTING POLICIES

- 1.1 The accounts have been prepared on a historical cost basis on the assumption that the Society is a going concern. The directors foresee this will remain the case for at least the next twelve months.
- 1.2 Profit (loss) is all income net of all applicable expenses which accrued during the year.
- 1.3 Income received in foreign currency has been accounted for at the net amount received after any transaction expenses. Assets are valued at the year end exchange rate of GBP 1 = EUR 1.20.
- 1.4 Membership subscription fees have been accounted for on a cash basis and consequently outstanding subscriptions owing to the Society have not been included in these accounts.
- 1.5 Unless otherwise stated the reporting currency is the Euro.

1.6 Fixed Assets.

The Society owns the following fixed assets which are not included in the balance sheet, because they are mainly intended to be donated. Income from any sales is accounted for if and when it occurs.

Quantity Description

- ~175 Miscellaneous Conference Proceedings.
- ~100 Nuclear Wallet Cards (April 2005) by Jagdish K. Tuli
Brookhaven National Laboratory, Upton, New York, USA.
- 7 Silver Giuliano Preparata Medals.
- 8 Bronze medals.
- 4 Minoru Toyoda Gold Medals (cost €6,000)

Notes for this page only

- a) This page does not form part of the statutory accounts.
- b) The 9th Workshop subsidy is net of sales made at that meeting. ISCMNS normally plans to make a modest surplus when organizing meetings but the major sponsor withdrew at short notice. Workshop fees were paid directly to the Certosa di Pontignano, Siena, Italy, hosting the meeting and consequently do not form part of the turnover in these accounts.
